**SUBJECT:** Improve NC 45 from Washington County Line to South of Colerain, R-5809,  
PA 18-01-0055, Bertie County, ER 19-1576

Thank you for your June 7, 2019, memorandum that establishes our joint concurrence for the eight properties that we determined eligible for listing in the National Register of Historic Places along with Ashland (BR0007) which remains listed.

We also appreciate and agree with the mapped boundary for the Capeharts Baptist Church and Cemetery (BR0029), which runs along the back of the ditch on Ledrew Perry Road and the tax parcel lines on the other three sides.

The above comments are made pursuant to Section 106 of the National Historic Preservation Act and the Advisory Council on Historic Preservation's Regulations for Compliance with Section 106 codified at 36 CFR Part 800.

Thank you for your cooperation and consideration. If you have questions concerning the above comment, contact Renee Gledhill-Earley, environmental review coordinator, at 919-814-6579 or [environmental.review@ncdcr.gov](mailto:environmental.review@ncdcr.gov). In all future communication concerning this project, please cite the above referenced tracking number.

Thank you for your recent comments on the above report. We are pleased that you concur with our recommendations that eight of the evaluated properties are eligible for listing in the National Register of Historic Places. In accordance with your suggestion, we will include the Capeharts Baptist Church and Cemetery (BR0029) in the list of eligible properties – a map illustrating the proposed boundary is attached. The nine eligible properties will be the subjects of discussion at an upcoming effects consultation once the project design is sufficiently advanced.

As always, your help is greatly appreciated. Should questions arise, please contact me at [vepatrick@ncdot.gov](mailto:vepatrick@ncdot.gov) or 919-707-6082.
