MEMORANDUM

FROM: Renee Gledhill-Earley *Renee Gledhill-Earley*
Environmental Review Coordinator

SUBJECT: Historic Structures Survey Report, B-5953, Replace Bridge 649 on Old Leicester Road over the French Broad River, PA 18-09-0030, Buncombe County, ER 19-1656

Thank you for your July 1, 2019, memorandum providing clarification of the mapping for the boundaries of the Craggy Historic District (BN6404). It would be very helpful to have a corrected map and Errata Note to add to the report and files as back up to our GIS and on-line reports. These should clearly and correctly identify the properties within the district and the status of the Redman's Hall. Once we have these materials, we will update our files.

The above comments are made pursuant to Section 106 of the National Historic Preservation Act and the Advisory Council on Historic Preservation's Regulations for Compliance with Section 106 codified at 36 CFR Part 800.

Thank you for your cooperation and consideration. If you have questions concerning the above comment, contact Renee Gledhill-Earley, environmental review coordinator, at 919-814-6579 or environmental.review@ncdcr.gov. In all future communication concerning this project, please cite the above referenced tracking number.

SUBJECT: Historic Structures Survey Report, B-5953 Replace Bridge 649 on Old Leicester Road over the French Broad River, PA 18-09-0030, Buncombe County, ER 19-1656

Thank you for your June 18th memorandum offering comments on the above-referenced report.

The label of "not extant" on 24 Old Leicester Highway may have been an editing mistake, within the Boundary Description and Justification on page 37, it notes that "the boundary excludes the circa 1920 one-story hipped-roofed dwelling at 24 Old Leicester Highway. Although immediately to the west of the district, it is significantly altered and has lost all integrity." We therefore propose that the boundary remain as-is.
